

Retake Our Democracy Transformation Study Group

Date:

Research Topic:

Initial Researcher(s):

A. Problem: What challenge, problem or form of injustice are we trying to address. Provide a brief (1-2 sentences) description.

- Provide link(s) to one or two articles and/or video that outline the problem well and provide a sentence to specify the kind of info found in each publication.

B. History of Problem: Provide a sentence or two or more that outlines the history of the problem: when did it begin to emerge and how has it evolved over time (if there is a history).

- Provide link(s) to article(s) and/or videos that lay out this history.

C. Preliminary Research Objective: [1-2 sentences describing the area of research and its importance: what kinds of strategies, policies, programs or initiatives have you found that address the problem described. This may involve a narrowing of your scope to a single kind of initiative manifest in different countries, communities or contexts OR it could involve a variety of kinds of initiatives, programs, or policies in one or more venue.]

D. Research Articles and/or videos:

1. Title:

- Organization:
- URL/Website:

❖ **Why This is a Good Resource**, i.e. what is useful in the resource (Needs Statement, Graphics, NM Relevancy, Successful Models, etc.)

2. Title:

- Organization:
- URL/Website:

- ❖ **Why This is a Good Resource**, i.e. what is useful in the resource (Needs Statement. Graphics, NM Relevancy, Successful Models, etc.)

3. Title:

- Organization:
- URL/Website:

- ❖ **Why This is a Good Resource**, i.e. what is useful in the resource (Needs Statement. Graphics, NM Relevancy, Successful Models, etc.)

E. Organizations (if any) that are major proponents of the strategies described in articles above and who we should contact.

- **Org # 1:**
- **Org # 2:**

F. Interviews Possible, if there are key people recognized for implementing or advocating for the strategies you've described:

-

G. Creative: (music, dance, art, theatre)
